RURAL WATER DISTRICT NO. 5

COWLEY COUNTY, KANSAS

APPLICATION FOR WATER SERVICE AND WATER USERS' AGREEMENT

(A separate application shall be made for each Benefit Unit to be purchased)

The undersigned, being the deeded individual owner(s), trustee(s), or authorized agent of land located within the above Rural Water District, hereby make(s) application to said District for water service, and if water service is made available by said District, agree(s) to the following conditions:

1. Purchase or cause to be purchased one benefit unit membership fee for each water service at the price of **\$4,000.00**. This does not include the installation expense which will be charged to the new member. This consideration paid for said Benefit Unit shall be considered a donation to the District and shall in no event, and under no circumstance, be refunded to the applicant. **THE ONLY EXCEPTION IS WHEN THE DISTRICT IS UNABLE TO COMPLETE AN EXTENSION DUE TO REASONS BEYOND THE CONTROL OF THE APPLICANT OR UNABLE TO OFFER SERVICE TO THE APPLICANT AT THE NOTED LOCATION.**
2. Pay a minimum monthly charge of **\$45.00** for each water service from the time service is made available by the District, and pay for all water used/metered at the rate set out in the rate schedule adopted by the Board of Directors. Any changes made in the minimum monthly water charge and rate schedule by the board of Directors of the District shall become part of this agreement as though fully set out herein.
3. When the Rules and Regulations of the District provide that the District will read the water meters, a service bill for water used/metered shall be rendered by the District on or before the 5th day of the month following the month in which the water was used/metered and the undersigned agrees to pay said service bill on or before the 15th day of the month in which the bill is rendered or be subject to a late charge. Failure of the District to submit a service bill shall not excuse the undersigned from the obligation to pay for the water used/metered when the bill is submitted. Failure to pay a bill by the shut off date on the bill as rendered shall result in a shut off service charge and discontinuance of the water service. Water service will remain shut off until all charges are paid in full. Six (6) months of non-payment triggers forfeiture of the meter as outlined in the District Forfeiture Policy.
4. The water service supplied by the District shall be for the sole use of the undersigned; the undersigned agrees to not extend or permit the extension of pipes for the purpose of transferring water from one property to another, will not share, resell, or sub-meter water to any other consumer. Each meter service shall supply water to only one residence or business establishment located on land within the District. A mobile home constitutes a residence.
5. If after water service is made available, the same is discontinued or disconnected for any purpose, pursuant to the By-Laws and the Rules and Regulations of the District, reconnection shall be upon the conditions set out in the By-Laws and the Rules and Regulations of the District.
6. The undersigned agrees that no physical connection will be made between any private water system and the water system of the District. Representatives of the District may at any reasonable time come on the premises where the water is being used/metered for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.
7. The laws of the state of Kansas, the By-Laws of the District, and the Rules and Regulations of the District, as presently existing, and as may be amended from time to time, are made a part of this agreement as though fully set out herein.
8. Any sale, transfer, inheritance, putting into Trust, or change in Deed for the property with the water service must be reported to the District Office.
9. **A non-refundable \$250.00 application fee accompanies this application.** This fee is charged by our engineering firm and is **non-refundable**.

10. Landowners are ultimately responsible for any and all charges incurred on meters they own.
11. The Statement for Sales Tax Exemption must accompany this application.
